FREQUENTLY ASKED QUESTIONS

Q. I have created my username and password but didn't receive the 'confirmation' email. Why not?

Did you spell your email address correctly? If you aren't sure, try to create a new account again *and be sure to spell your email address correctly*. You will also need to pick a different username than your first try.

You could also create a new account with another email address (ie: Hotmail, Telus, etc). Pick a different username than your first try.

Q. Why are there only a couple of questions in some of the Units but the time limit says I have two hours to do them. Is that right?

Do not panic! There are really **only** two questions in Unit 3, **only** two questions in Unit 4 and **only** four Review questions in Unit 6. That is all.

Do not worry about the time allotted to answer the questions. That is a preset template of the website.

Q. I answered a question wrong and want to change my answer, but the computer won't let me!

If you get a question wrong, do not worry. Just answer the questions, listen to the correct answers, click "Submit and Finish" and continue on to the next Unit. You are not able to change your answers afterwards and you do not need to.

Q. Where do I find the School District's Policy and Regulations on Bullying and Harassment?

Go to www.sd84.bc.ca, click on 'About SD84', 'Policy Manual'. Click on the 'Policy Manual' link and search for Policy D.10, *Respectful Workplace*.

Q. If I am going to report Bullying and Harassment, do I send the report to WorkSafeBC?

No, you report it to your supervisor.

Q. Once I have completed the training, who do I send a copy of my certificate to?

When you complete the course, you will receive an email with your certificate attached. Please forward that email to Annie James, Human Resources Administrator, ajames@viw.sd84.bc.ca.
