STUDENT REQUIRED SUPPLY LIST 2013-2014

KINDERGARTEN

The following is a list of supplies needed for Kindergarten. The bold items will be put in communal buckets or bins around the classroom to be shared by everyone. This eliminates many trips back and forth to cubbies to find materials to work with and helps with room clean-up. Please mark all of the items without stars with your child's first name and last name or initial and have them ready to be brought to school on the first day.
