

Vancouver Island West School District 84
DISTRICT EARTHQUAKE SAFETY COMMITTEE MEETING
May 10, 2021 – by Zoom

Present: Deane Johnson (Chair), Allison Stiglitz, Lawrence Tarasoff, Annie McDowell (Recorder)

CALL TO ORDER:

11:00 am

MINUTES OF LAST MEETING:

Reviewed.

REVIEW OF POLICY B.28, EMERGENCY PREPAREDNESS:

Reviewed with no recommended changes.

REVIEW WORKSITE EMERGENCY PREPAREDNESS PLANS:

Deane has reviewed each plan carefully to ensure consistency across the District and in what is required. Principals have updated their plans accordingly, with some information still to come. One addition for the GRSS, RWES and ZESS plans will be to add the bi-annual earthquake drills for all passengers riding the school busses. Deane will also check with the Provincial RCMP to ensure that the lock-down dill procedures are correct. Much appreciation to Deane to ensure that all plans are complete and ready for publication in September.

BUDGET ALLOCATION:

The District budgets \$8,000 per annum for purchasing emergency supplies and replacing any that have expired. Principals are responsible to ensure that supplies are ordered/replenished in their schools each year.

ADJOURNMENT:
