

PHOTOGRAPHS, STUDENTS

The photographing by commercial photographers of students by classes, group or individually, along with the sale of these photographs, is permitted in schools where the School Principal approves. Purchase of the photographs by students shall be on a voluntary basis.

1. Parents must be informed of the photographs for sale and the price of those photographs prior to the photographs being taken.
2. Class photographs must be available as a single item purchase for each purchase in the School District.
3. The taking of photographs must also conform to AP 131, *Freedom of Information/Protection of Privacy: Student and Family Protection* as well as WorkSafeBC Regulations.
