

INDIGENOUS EDUCATION COUNCIL (IEC)

The Board has established and will maintain an Indigenous education council (IEC) to support the Board to provide comprehensive and equitable education and support services for Indigenous (First Nations, Metis, and Inuit) students and improve Indigenous student outcomes. This includes advising on the appropriate integration of Indigenous worldviews and perspectives, advising on grants in relation to Indigenous students, and ensuring respect for local First Nations in whose territories Board operates schools.

The IEC is established and operates under Ministerial Order 217/2024 and the Superintendent (or designate) will ensure that the requirements of the Order are carried out in SD84.
