

SCHOOL DISTRICT STUDENT AWARD - ACADEMIC

The Raj Jaswal Award

The pursuit of academic excellence is a major goal of education. In recognition of achievement in this area, the Board will annually award academic scholarships. These awards will be given to the students who best meet the criteria laid out in this procedure.

1. This scholarship award, known as the Raj Jaswal Award, will be \$1000 in each academic year.
2. The presenter of the award should remind the recipient and audience of the reasons for naming the award. Mr. Raj Jaswal passed away in August of 1986 following service as the School Principal of Ray Watkins Elementary School. Mr. Jaswal was an educator in the School District for approximately 18 years, also serving as School Principal of Captain Meares Elementary Secondary School for a significant portion of that time. This scholarship was established to honour Mr. Jaswal's contribution to education in the School District and to recognize, on an on-going basis, his dedication by supporting a student each year to post-secondary education.
3. The award is dependent upon the graduating student attending a post-secondary institution for at least one year.
4. The award must be taken up within two years of graduation.
5. The scholarship is open to any graduating student provided that they have spent two secondary years in one of the School District's schools.
6. The closing date for submissions is May 1 in each year.
7. Each student is responsible for making his/her own submission. The student is responsible for informing the School Principal of the intent to apply.
8. Schools are required to:
 - a. inform graduating students of the existence of the award no later than March 1 in each year;
 - b. forward to a Selection Committee the required information for a student submission.
9. The Board will select a committee to meet before May 30 in each year. The committee will comprise of a Trustee, the Superintendent (or designate) and one Administrative Officer. The Selection Committee will make recommendations to the Board based upon:
 - a. the letter of application from the student, the official application form and a reference letter from the School Principal;

ADDENDUM

Guidelines for Organizations Presenting Awards and Scholarships to Students in Vancouver Island West School District No. 84

The School District Scholarship Program is very much appreciated. Continued support from many community groups provides motivation and needed financial assistance to our students. These guidelines have been drawn up to provide consistency among organizations and schools regarding how scholarships are awarded and how schools receive this information.

Advertising Awards and Scholarships

Organizations providing scholarships should review their terms of reference for their scholarships and if there are any changes, the school should be informed as soon as possible. Terms of reference should include:

- deadline for applications;
- criteria for selection of recipients; and,
- requirements for such things as letters of application, letters of reference, proof of academic achievement.

This information will be published in the school and will be available to every student.

Selection Procedures

The selection procedure should be thought out in advance, and the procedure well established so that it is consistent from one year to the next.

Announcing Recipients

When a recipient of an award or scholarship has been determined, the name of the recipient should be given to the School Principal, in writing and confidentially, so that the announcement will be a surprise to the recipient at the commencement ceremony.

Presentation of Awards and Scholarships at Commencement Ceremony

A representative of the organization should be present at the ceremony to present the scholarship. The name of the presenter should be given to the School Principal for inclusion in the program before the ceremony. If no one is available, the School Principal should be informed so that he/she can designate someone to present the award.
